

**PYROTECHNICS GUILD INTERNATIONAL
DISPLAY FIREWORKS OPERATOR CERTIFICATION COURSE**

Presented by the

ROCKY MOUNTAIN PYROTECHNICS GUILD

DATE: Saturday, May 2, 2020

TIME: 9 am to 6 pm

PLACE: Roggen Fire Department (Southeast Weld County Fire Protection District)
407 2nd Street; Roggen, CO

FEE: \$135.00/person

WHO SHOULD ATTEND: Anyone who is interested in working on a fireworks display crew or who needs a safety course for a Fireworks Display Operator License (required in Colorado); persons in regulatory capacities; and those interested in fireworks as a hobby.

Registrants must be 18 years of age in order to participate in the hands on fireworks portion or the class.

ABOUT THE TEACHERS: Micki and Steve McDanal, Board Members of The Rocky Mountain Pyrotechnics Guild (RMPG), are volunteer PGI Certified Instructors who have trained over 800 persons in safe fireworks display practices since 1999. They have been doing shows in Colorado for 40+ years, and have experience working very large PGI displays. RMPG is a 501c3 non-profit club incorporated in the State of Colorado for the purpose of encouraging the safe and artistic use of fireworks through education and shared expertise.

WHAT THE STUDENTS RECEIVE: Each participant will receive the 311 page 2019 Edition of the "PGI Display Fireworks Operator Certification Study Guide", field instruction and demonstrations, hands-on field experience, classroom lectures, written testing for PGI certification, a form with instructions for completing the PGI Certification process, and a certificate verifying attendance at the safety course. LUNCH will be provided for those registered by Tuesday, April 28, 2020.

CERTIFICATION/LICENSING: The Colorado State Licensing process requires a safety course (the PGI course qualifies), passing an exam on NFPA 1123, background check, proof of residency and a state fee. Those desiring the PGI Certification must pass the written test on the course date and obtain proof of assisting in 5 fireworks displays (1 as the lead operator under supervision). Details will be explained at class.

WHAT THE STUDENT SHOULD BRING: Each participant must bring safety glasses, a hard hat, hearing protection, and wear cotton clothing with long sleeves and long pants (turnout gear is acceptable). Flame retardant layers and boots are recommended for the outdoor portion of the class. Cold, wet, windy weather and/or muddy ground is a possibility, so be prepared. A highlighter, pen, pencil and paper (if you don't want to write in your book). A water bottle is recommended.

SPACE IS LIMITED AND PRE-REGISTRATION IS REQUIRED:

PLEASE SEND PAYMENT AND THE REGISTRATION FORM to
RMPG; 6148 Iris Way; Arvada, CO 80004

Questions about course and/or registration should be directed to Micki McDanal at
(303) 420-0806 or at stev_mic@ecentral.com

DIRECTIONS TO THE ROGGEN FIRE STATION: Take Exit 48 off I-76; if northbound on I-76 turn right onto WCR73, if southbound turn left onto WCR73. Turn left onto Front St (frontage road). Take the 4th left onto Harrison, which dead ends at the firehouse.
